

VISITOR POLICY

Notice to Visitors

The disclosure information available at this website consists of a discussion of certain risk metrics not otherwise publicly disclosed, pertaining to sovereign debt obligations of the government of the People's Republic of China. The disclosure information available on the *globalsecurityswatch* website is intended solely for use by finance professionals, including financial risk managers and investment portfolio managers. The information presented at this website is not intended for use in connection with the solicitation, promotion, or offer of any investment scheme or any offer or sale of securities. Any such use constitutes a violation of the visitor policy of this website and is strictly prohibited. Such violations will be considered as an infringement of United States copyright laws. Please report any violation of the terms of this visitor agreement to the attention of Sovereign Advisers at info@sov-advisers.com.

Certification

By entering this website, I certify that I have read and fully understand the foregoing statement in its entirety, and I truthfully represent that I am an investment professional and further certify that I am not attempting to access the information available on this website in connection with the offer or solicitation to purchase any security or for the purpose of promoting or participating in any investment scheme.

Copyright Notice and Policy
